

National Coalition for Arts' Preparedness & Emergency Response
MEMBERSHIP BENEFITS & DUES STRUCTURE

DRAFT 3/22

Membership Package:

Membership signifies an organization's or individual's commitment to strengthening the safety net for artists and arts organizations across the country. Join a growing roster of arts leaders who understands the need for readiness and resiliency in the arts sector. The Coalition (NCAPER) is the national voice promoting the need for public and private resources (policies, funding and representation) to prepare the arts sector for crisis, to encourage readiness planning by artists and arts organizations, and to assist with post-crisis response and recovery.

Benefits: All members

- Access to readiness resources, tips and tools to share with your members.
- Materials and guidance on how to encourage readiness conversations

Organization Associate Members

- One-year complimentary subscription to the ArtsReady online planning tool.
- Logo, Web link, social media links, and organizational information on www.NCAPER.org.
- Invitations to professional development workshops at annual conferences and member webinars on various readiness approaches tailored to your constituency.
- Opportunities to serve on the NCAPER Steering Committee and working groups.
